

Strategy 2030

At the
forefront – We put
education and
culture to work for
a rewarding &
sustainable life

VISION

Arcada is a Swedish-language institution
of higher education in Helsinki.

We are at the forefront of change and development and
open doors for Nordic cooperation of global relevance,
create smart solutions for a dynamic professional life and a
vital Swedish-speaking culture, and offer lifelong career
support for a rewarding and sustainable life.

MISSION

We are a Swedish-language university of applied
sciences for a multicultural Finland.

We offer degree programmes as well as higher
education that supports continued learning and
lifelong career development.

We conducts applied research and development
as well as cultural activities benefitting many
interest groups and the society as a whole.
